4906 Lyons Rd, Lake Worth Beach, FL 33467, LAKE WORTH, FL.

05TH
OCTOBER
2024
FROM 8AM TO 5PM

About the Event

We will have prominent national and international experts who will share their knowledge and experiences with the aim of promoting awareness and commitment among entrepreneurs, leaders, and professionals in Occupational Safety and Health, in the prevention and promotion of conditions or events that may endanger the physical and psychological health of employees and individuals who interact with the business environment in the Hispanic community.

This space aims to promote updates on new legislation and regulations, knowledge exchange on trends, experiences, and new perspectives, inviting entrepreneurs and leaders to shape strategies and solutions that ensure the development of protected work environments in carrying out their activities, as an expression of their corporate social responsibility and their commitment to the safety of their workers, as a crucial factor for sustainable growth and business projection.

Target Audience

Managers of small and medium-sized enterprises, leaders, and professionals in Occupational Safety and Health from the Hispanic community in Florida (USA), interested in updating and strengthening their knowledge, exchanging experiences, as well as expanding their perspectives on this component, in order to take it to a strategic level of their management.

Added Value

By participating in this event, you will share experiences and be in touch with expert speakers and leaders in Occupational Safety and Health. You will expand your networking and have access to:

-  Leaders in Occupational Safety and Health from Hispanic companies with successful experiences.
-  Companies providing technological solutions for the strategic and operational management of the OSH system.
-  Companies providing wellness, mental health, and psychosocial risk prevention solutions.
